Book Name:	<a href="#">Current Research Progress in Agricultural Sciences</a>
Manuscript Number:	Ms_BPR_3917
Title of the Manuscript:	Organic Farming: Principles, Practices and Prospects
Type of the Article	Book chapter

**PART 1: Comments**

	Reviewer's comment	Author's Feedback <i>(Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
<b>Please write a few sentences regarding the importance of this manuscript for the scientific community. A minimum of 3-4 sentences may be required for this part.</b>	Study on Organic farming today has received much attention amongst various research studies throughout the world. The paper has been well written focusing on the theme of the study. Highlighting on the challenges of organic farming with case studies is found to be very crucial for the scientific community as it talks about meeting the challenges and creating a room for working towards it.	
<b>Is the title of the article suitable? (If not please suggest an alternative title)</b>	As per the details given in the paper, the title goes with it.	
<b>Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.</b>	The abstract could have mentioned the areas ( regions/ places) of case studies. This can provide more insights to the readers at a glance on success of organic farming worldwide.	
<b>Is the manuscript scientifically, correct? Please write here.</b>	The manuscript is descriptive. The paper could have been substantiated with some data, especially on the regions of which case study has been taken for the study. This will reflect the ongoing organic farming practices world wide.	
<b>Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.</b> -	The references are fine.	
<b>Is the language/English quality of the article suitable for scholarly communications?</b>	There is no problem with the language.	
<b>Optional/General</b> comments	Overall, the manuscript is good.	

**PART 2:**

	Reviewer's comment	Author's comment <i>(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
<b>Are there ethical issues in this manuscript?</b>	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
