FINAL EVALUATOR'S comments on revised paper (if any)	Authors' response to final evaluator's comments
<p>Based on the previous comment made on this article, find below my final observations and comments. They are as follows:</p> <ol style="list-style-type: none"> 1. The arrangement and formatting of the article has improved greatly. 2. The grammatical spelling has improved but requires minor improvements 3. The reference list section needs to be formatted properly using IEEE, APA or the required formatting approach. 4. I would strongly advice that in-text citation be done to avoid case of plagiarism and also be in line to your reference list. 5. Figure 4 to figure 6 has no figure lable or title provided. <p>Overall Comment: The article is looks more presentable and properly documented but requires minor revisions.</p>
