

Review Form2

Book Name:	Innovations in Biological Science
Manuscript Number:	Ms_BPR_1837
Title of the Manuscript:	Moringa leaf meal as natural feed additives on the growth performance and meat quality of commercial broiler chicken
Type of the Article	Book chapter

PART 1: Review Comments

<u>Compulsory</u> REVISION comments	Reviewer’s comment	Author’s Feedback <i>(Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Please write few sentences regarding the importance this manuscript for scientific community. Why do you like (or dislike) this manuscript? Minimum 3-4 sentences may be required for this part.	To avoid residual effect of chemical feed additives alternative feed additives who are not responsible to residual effect and do not cause resistance will be required. One of the best alternative is use of herbal growth promoter. The moringa leaf meal has nutrients and other essential substances that can be promote the growth rate in broilers without any residual effect and health hazard to birds as well as human beings.	
Is the title of the article suitable? (If not please suggest an alternative title)	Yes	
Is the abstract of the article comprehensive? Do you suggest addition (or deletion) of some points in this section? Please write your suggestions here.	Yes	
Are subsections and structure of the manuscript appropriate?	Yes	
Please write few sentences regarding the scientific correctness of this manuscript. Why do think that this manuscript is scientifically robust and technically sound?Minimum 3-4 sentences may be required for this part.	There are several grammatical mistakes in manuscript and needs to be revise as highlighted in the manuscript. Proper discussion on every parameter is required	
Are the references sufficient and recent? If you have suggestion of additional references, please mention in the review form.	Most of the references are older than 10 years hence it is required to add recent references in proper reference style.	
<u>Minor</u> REVISION comments		
Is language/English quality of the article suitable for scholarly communications?	Yes	
<u>Optional/General</u> comments	Revise the manuscript as per suggestions in the manuscript text
