PART 1: Review Comments

Compulsory REVISION comments	Reviewer's comment	Author's Feedback <i>(Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Please write a few sentences regarding the importance of this manuscript for the scientific community. Why do you like (or dislike) this manuscript? A minimum of 3-4 sentences may be required for this part.	The topic is relevant and of a high priority. The manuscript has a potential to foster the discussion on communication and trust between the police and communities in South Africa and in the wider world as the manuscript presents the practical aspects of this issue.	
Is the title of the article suitable? (If not please suggest an alternative title)	Yes, the title is ok	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	The abstract present neither a research methodology nor methods of analysis.	
Are subsections and structure of the manuscript appropriate?	The structure of the manuscript is chaotic due to the lack of research methodology. The presence of research methodology could help to structure the manuscript in a logical manner.	
Please write a few sentences regarding the scientific correctness of this manuscript. Why do you think that this manuscript is scientifically robust and technically sound? A minimum of 3-4 sentences may be required for this part.	The manuscript does not look like a piece of scientific work due to the lack of research methodology as well as methods os investigation and analysis. Leveraging the research methodology and methods of analysis could help develop a linchpin in this work. Consequently, the presented manuscript is not scientifically robust and technically sound.	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	References are not cited in the text. The number of refences has to be significantly increased.	

Review Form 2
