Please write a few sentences regarding the scientific correctness of this manuscript. Why do you think that this manuscript is scientifically robust and technically sound? A minimum of 3-4 sentences may be required for this part.	The manuscript to be reoriented according to the suggestion. The analysis is typically need to be modified. It is peculiar that without the income variable all other variables are taken. But for commercialization intensity the income or change in income of the farmer should be the most relevant variable as it has quantitative base also.	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.		

Review Form 2
