[Review Form2](#)

PART 1: Review Comments

Compulsory REVISION comments	Reviewer's comment	Author's Feedback (Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Please write a few sentences regarding the importance of this manuscript for the scientific community. Why do you like (or dislike) this manuscript? A minimum of 3-4 sentences may be required for this part.	The COVID-19 pandemic has had an influence on global higher education since early 2020, and universities throughout the world have responded fast in a number of ways within their particular institutional and national settings to reduce the pandemic's impacts. Higher education leaders' responses to the epidemic and rethinking of fundamental parts of education were diverse, outstanding, subtle, and culturally bound.	
Is the title of the article suitable? (If not please suggest an alternative title)	The article's title should be altered; it appears to be identical in the journal. It is excessively long; shorten it.	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	The article's abstract is too brief; include more detail about the research methods and findings.	
Are subsections and structure of the manuscript appropriate?	The manuscript's structure and subsections are appropriate.	
Please write a few sentences regarding the scientific correctness of this manuscript. Why do you think that this manuscript is scientifically robust and technically sound? A minimum of 3-4 sentences may be required for this part.	The scientific accuracy of this manuscript is satisfactory.	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	The references are adequate, but they are not recent; use all references from the last five years.	
Minor REVISION comments		
Is the language/English quality of the article suitable for scholarly communications?	The article's English is appropriate for scholarly discussion, however certain sentences may be difficult to understand.	
Optional/General comments		

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	(If yes, Kindly please write down the ethical issues here in details)
