Review Form 2

Please write a few sentences regarding the scientific correctness of this manuscript. Why do you think thatthis manuscript is scientifically robust and technicallysound? A minimum of 3-4 sentences may be required for this part.	Excellent, If I talk about this paper then it is a very important thing that whether the food we are eating today is good to eat or we are using poison in our food, so I believe that this research will help.	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	Yes	
Minor REVISION comments		
Is the language/English quality of the article suitablefor scholarly communications?	Yes	
Optional/General comments	Comments are 1. Paper should be good spacing 2. Take care of spelling mistake. 3. Change the word Smell it should be food aroma 4. Please reference for this sentence/ lines 5. Change the language because not related to research 6. Take care about full stop and comma 7. Add some local food In today's time, there has been a lot of change in cooking food, which has been seen a lot after Covid, how food should be cooked and eaten, along with this it has also been seen that in today's time people have becomevery aware about food. It is true to some extent that this is limited to only a few places, but in the coming time, a lot of changes will be seen.
