Review Form2

Minor REVISION comments		
Is the language/English quality of the article suitable for scholarly communications?		
Optional/General comments	1- The abstract is not written according to the writing principles. The writer mentioned subjects which make readers to be confused. Errors of the abstract were mentioned in the following. 2- Key word were did not select appropriately. 3- Citation: There is a problem with citation. The references were not written by auniform method such as Chicago, APA, Vancouver or etc. A few references are web page (Wikipedia) and may re-edit their text during the time so they are not suitable as a reference for a book.
