Please write a few sentences regarding the importance of this manuscript for the scientific community. A minimum of 3-4 sentences may be required for this part.	This manuscript is of significant importance to the scientific community as it addresses critical themes related to feminist literature in the Arab world. It explores how Arab women writers have used literature as a tool to confront and challenge deeply entrenched societal taboos, specifically those surrounding politics, religion, and sex. By examining the evolution of feminist narratives, the manuscript provides insights into the struggles and triumphs of women authors in a patriarchal society. This work not only broadens our understanding of gender dynamics in Arab culture but also offers valuable perspectives for future research in feminist studies and comparative literature.
